Dear Firas,

Yesterday our judges started to select works and didn't change the judging status, so we do it now. The festival is going to have few screenings in the association with the project "Militars for kids". To organise well this, we need to purchase a generator as in Ukraine we have electricity cuts, so the film critis association of the country was reviewing works and to selected ones offers a publication that includes the following. The deadline for publication is 1st of November. It is totally OPTIONAL.
We are excited to share one more opportunity with the filmmakers whose work has been selected for MORPHÉ International Film Festival.
Alongside the festival screenings, we are preparing our **MORPHÉ Autumn Print Issue** - a special edition dedicated to filmmakers and the stories behind their films.
You can already **browse our Summer Issue online** and see the visual style and format of the publication here:
https://morpheart.online/editions.html
(Password: **morphe2026**)
For the Autumn Issue, we are inviting selected MORPHÉ filmmakers to be featured in a dedicated editorial spread about **you, your film, and your creative work**.
Your feature will become part of the printed Autumn Issue, creating a physical publication you can keep as a record of your film's festival journey or share with your team, collaborators and audience.
What is included
• A dedicated feature about you and your film
• An editorial article
• Your film's poster and visual materials
• Publication in the physical MORPHÉ Autumn Print Issue
• **International delivery included**
Participation: $49 USD
This opportunity is available exclusively to filmmakers submitted to MORPHÉ.
If you would like to be featured in the Autumn Issue, simply **reply to this email** and we will send you the next steps.
We would love to see your story become part of the first MORPHÉ print collection.
Warm regards,
MORPHÉ International Film Festival

Heir of the Forgotten Forest

Selected

Project has been selected to be included in festival.
